I kind of feel like a chapter of my life just ended.
If I'm guilty, so are you.
It was March 4th, 1982.

Today, I am thankful for fortuitous music, which I can use as a cryptic reference, and project meaning upon so I don't have to sort out my own feelings.

Merry Christmas, Internets*.

*If you celebrate. And happy Day Before Cheap Stuff day, if you don't.

Happy Pagan Tree Day!

Best part about a chapter ending is that you get to start a new one. Write on scribe!
